ABOUT THE IPLG AWARDS

THE IPLG AWARDS is a result of Brain Storming over the years, while serving and strengthening this industry. Founder CEO & Director wanted to do something that would improve the outlook of the employers for these Lifeguards specifically. These set of professionals despite being trained in the field of rescue of drowning a person, were actually not getting their due respect and at the same time also not taken seriously by a majority of the employers in the industry, especially by the hospitality sector i.e. the 5 Star Hotels who usually take them as Jack of all trades doing many task at the same time. Then the local employers too think that they are good only for wading a stick at a drowning person. These notions were bothering like a hell. The Founder CEO, finally came up with a lovely idea i.e. in form of felicitating them with award. This award will help these professionals to get acknowledged by their employers due to award

THE IPLG AWARDS are broadly awarded in the following categories:

1. The Life Guard Awards
2. The Swimming Coach Level 1 Awards i.e. coach teaching swimming skills to a non-swimmer
3. The Swimming Coach Level 2 Awards i.e a coach imbining the advance swimming skills to a basic swimmer for competitions
4. The Gym Trainer Awards

Registration Forms are available on the website
